

Powering Through Obstacles:

Finding Inspiration in a Dictionary, a Pear, a Military ID, and a Pile of Shoes

Tuesday, November 1, 2016, 12:00-1:00 p.m.

Holland Building room 535

Diane Del Toro, Operations Director of *St. George Health and Wellness Magazine*, will be speaking about her experience as a non-traditional student here at Dixie State.

While obtaining her education, Diane faced a barrage of difficult challenges. However, through her non-profit organization and studies at the university, she had many unique and inspiring experiences which motivated her to rise above difficulties and make the most of her education.
